“As each has received a gift, use it to serve one another, as good stewards of God’s varied grace.”

1 Peter 4:10

Percentage guides like the one to the right are helpful tools for tracking and challenging your giving. God, however, is much more interested in our **faithfulness**, and our **growth** and our **joy** than percentages.

All gifts are blessed by God.

“Challenged” and “Cheerful” are two words that can help you discern a level of giving right for you. Am I slightly challenged by my overall giving level? If yes, do I feel cheerful or joyful when I think about my ability to faithfully fulfill it?
